

# YOMAE

Full Bore Electromagnetic Flow Meter

YOMAE  
Full Bore  
Electromagnetic Flow Meter

Product Details:

Voltage	230V AC
Velocity range	0.1 m/s to 10 m/s
Available in different line sizes from	DN 10 to DN 350
Brand	Manas

**Other Details:**

- Excellent Linearity & Accuracy
- Typically better than  $\pm 0.5\%$  Pulse or frequency output also available optionally.
- Measurement independent of any density, viscosity, pressure, temperature, solid impurities and conductivity variations ( $> 5\text{pS/cm}$ ).

**Major Applications:**

- Steel & Aluminium
- ETPs & STPs
- Sugar & Distilleries
- Paper & Pulp
- Food & Drug
- Petrochemical
- Fertilizer and Chemical
- Pharmaceutical

**Additional Information:**

- **Item Code:** SROAT-1000A
